

Technology and Hands-on Project-Based Learning Teacher

School District 10 (Arrow Lakes) has the following temporary teaching position for the 2018-2019 school year:

Position: Grades K-12 Technology and Hands-on Project-based Learning Teacher
School: Lucerne Elementary Secondary School
FTE: 0.20 Temporary
Effective: September 4, 2018 - June 28, 2019

This position is based out of the carpentry shop. Applicants must have Red Seal qualifications to teach carpentry and joinery. In addition, skills in teaching technology, robotics, coding, and small motor mechanics with secondary students as well as possess strong skills in project-based learning using technology for Grades K-6 intermediate students is core to the position.

We seek an innovative and passionate educator who embeds 21st century learning into their daily classroom practice. Strengths in collaboration, co-planning and co-teaching are an asset, as well as the ability to differentiate to meet the needs of all learners in an inclusive classroom environment.

Required characteristics / strengths include:

- a) Red Seal Journeyman plus teacher qualifications, or teacher qualifications in Technology Education
- b) Exemplary safety skills in a shop environment
- c) Demonstrated exemplary skills and experience implementing technology, including robotics and coding, to support learning and teaching
- d) Successful teaching experience at both the Elementary and Secondary levels
- e) Commitment and expertise in building relationships with parents and community
- f) Successful experience integrating socio-emotional learning, self-regulated learning in the classroom, in the classroom and beyond
- g) Demonstrate understanding of indigenous cultures and experience integrating First Peoples Principles of Learning into teaching practice
- h) Strong interpersonal skills and strengths working in a team environment
- i) Excellent classroom management skills and proven ability to engage all learners
- j) Commitment to co-developing the School Growth Plan and to collaboration in organizing the school and classroom for learning
- k) Exemplary use of assessment strategies that engage and foster learning
- l) Ability to differentiate for all learners in multi-grade classrooms
- m) Willingness to participate in the school's extra-curricular programs will be an asset

All applicants for this position should provide evidence for all areas of expertise or experience.

Send complete application including a covering letter and resume, proof of a valid Teaching Certificate from the Teacher Regulation Branch, and names of at least three professional references no later 12:00 pm (Noon), Friday, May 11, 2018. Applications should be addressed to Mr. Nicholas Graves, Principal of LESS and can be sent by mail, or by email to the School Secretary as outlined below:
