Required characteristics/ strengths include:

- a) Successful secondary Mathematics teaching experience
- b) Major in Mathematics at the university level
- c) Commitment and expertise in building relationships with parents and community
- d) Demonstrated exemplary skills and experience implementing technology to support learning and teaching
- e) Strong interpersonal skills. and strengths working in a team environment
- f) Excellent classroom management skills and proven ability to engage all learners
- g) Commitment to implementing the School Growth Plan and to collaborate in organizing the school and classroom for learning
- h) Exemplary use of assessment for learning strategies that engage and foster learning
- i) Experience integrating First Peoples Principles of Learning into teaching practice
- j) Understanding of how inquiry informs professional practice
- k) Experience co-planning and co-teaching
- l) Ability to differentiate for all learners
- m) Embodiment of lifelong learning, and demonstrated commitment to ongoing professional growth
- n) Willingness to participate in the school's extra-curricular programs will be an asset

All applicants for this position should provide evidence for all areas of expertise or experience.
