

Secondary Teaching Vice-Principal Lucerne Elementary Secondary School, SD 10 (Arrow Lakes)

School District 10, in the beautiful West Kootenay region of southeastern BC seeks an **innovative and collaborative teaching Vice-Principal to join Lucerne Elementary Secondary School**, a fabulous rural K-12 school in New Denver, BC.

We're looking for an **enthusiastic and creative leader** and have an innovative team of teachers, support staff, parents, students, and community for you to work alongside. Lucerne School and SD 10 are well-respected innovators in place-conscious learning, environmental education, personalized learning, assessment and student inquiry. Strong academic achievement, equity, and student success is at our core.

Our small rural district is staffed with people who care about students and who go the extra distance – literally and figuratively -- to make a difference! You will likewise lead by example with your **dedication and commitment to our small rural school and community**. We are blessed not only with breathtaking geography – long pristine lakes, snow-capped mountains and lush forests – but also with warm and welcoming staff, parents, and community in each of our seven district schools. Our communities, parents, teachers, support staff, the district Leadership Team, and Board of Education work closely together, committed to high quality learning for every student. Your **training and experience leading learning, and collaborating with partner groups** will stand you in good stead as you **guide and inspire others**.

As teaching Vice-Principal at Lucerne School, you have **exemplary organizational and planning skills**, and have a **thorough knowledge of BC's secondary school curriculum and assessment**. You are an experienced and dynamic **rural educator, with experience teaching secondary Math and Science or Humanities**. Your teaching practice is viewed by parents and students as exemplary, and you have taken formal and informal leadership roles in your career as you **lead change and educational transformation** by example, and with others. Your role requires that you have **proven capabilities meeting the unique needs of a diverse school community**. Of course, you **love teaching and learning**, and demonstrate passion for the work that is the base of what we do as educators – inspiring that love of learning in our students! You are a **highly competent** teacher and school leader, poised to make a difference in a fabulous small school amongst a community that has tremendous assets – our people, our caring, and our commitment to doing everything we can to engage all learners. You'll fit in wonderfully with our innovative school and district team!

Qualifications and Attributes:

- A Master's degree in an appropriate field, and school leadership experience, leading alongside staff and parents
- Previous vice-principal experience, and experience in multi-aged elementary and secondary learning environments
- Superb abilities as an educator and leader of learning, well-grounded in current pedagogical practice
- Proven skills and experience in educational leadership and educational transformation
- A practice embedded in current pedagogical research; leadership implementing the redesigned BC curriculum and innovative assessment
- An outstanding collaborator and team builder with emotional intelligence and conflict management expertise
- Excellent working relationships with parents and community in support of student learning
- Community-minded; eager to be involved in the whole school community; dedicated and focused
- Proficient use of technology to support teaching, learning, and administrative tasks, including MyEd BC
- Highly effective communication and collaboration skills, and excellence in building relationships
- Eligible for membership by the BC Teacher Regulation Branch
