7. Preparation for 2019 Year End Audit
I have started the pre-audit review work as part of the year end audit preparation cycle which takes place over the summer and finishes prior to September 30, 2019 as required by the School Act. The fiscal year end for the School District is June 30 and the audit process usually takes 4 – 6 weeks to complete. KPMG works with District staff and David Bond the Partner in charge of the audit usually makes the trip to Nakusp to present the Auditor’s Report at the September Board meeting.

Minutes for June LESS PAC meeting

June 7- 5:30 School Garden, lemonade and snacks were served.

Present: Nick Graves, baby Maggie, Scott Kipkie, Julia Greenlaw and Sara Wearmouth

Regrets: Catherine, Leda, Rhonda

Adoption of agenda: Moved by Sara seconded by Julia

Minutes from previous: Moved by Julia seconded by Sara

Reports: Principle and financial: See attached.

No school Trustee report or DPAC report

Old Business:

Spring Fling

\$200 was approved at the May PAC meeting for the party. Robin is catering, making sourdough pizza and fruit plates. Music has been organised with Noel Fudge and Chris Warren. Parents are helping with set up and clean up. Teachers have arranged for games. Nick and Patti have approved the use of the kitchen for food prep.

New Business:

Arising from principal's report: A rep from PAC is requested for a Food program meeting to be held on June 14 at 3;30 in the library. Julia will attend as our rep.

Fundraising Ideas:

The student made canoe is almost done. The idea has been put forth to raffle it off in the fall. Discussion ensued about having a 50/50 draw at Garlic Festival, selling tickets at the Hill's Booth. An informal conversation with Paula directly after the meeting indicated that the Hill's Rec Society doesn't feel it to be a good match as they have raffles for vendor baskets. She supported the idea of having tickets for sale outside of the festival grounds yet this plan was not talked about at the meeting.

Next meeting set for Tuesday, September 10 - 5;30 in the library

Meeting adjourned at 6:10

The Gaming Grant for next year has been applied for. The grant gives \$20 per student and will be deposited into the gaming account in the fall.

Early Learning Centre June 17th, 2019 Monthly Report

8

- As of today, we have over 85 students enrolled, and I am waiting on eleven more to register, but do not have copies of birth certificates or medical cards yet. Last week we had four new students in one day. We have many new/young families moving to nakusp.
- NES StrongStart hours are: Monday/Wednesday/Friday from 8:45 - 11:45 am and Tuesday/Thursday from 12:30 to 3:30 pm.
- Our attendance picked up for the spring, but seems to be slowing down again due to beautiful weather, and busy times. Our morning sessions are average of 12-15 children and 8-10 parents, and afternoons' are 2-4 children and 1-3 parents.
- Our daily schedule consists of free play, arts and craft, clean up, snack, gym, circle time, library time, play and good byes.
- The first Friday of the month, Jackie from the Nakusp Public Library comes to strongstart and does story time for us. The children and families seem to really enjoy it.
- Monday, Wednesday and Friday we have gym time from 10:10 to 10:40 am. (This is one of our families favorite)
- Pitter Patter finished at the end of May and will start back up in September. This program runs every Thursday am in the Strong Start room from 8:45 - 11:45 am. Sarah Sanders the CAPC worker facilitate this program. This program is for ages 0 to 2 $\frac{1}{2}$ years of age. We have many new babies, so it should be very busy next year.
- We are holding our fourth Annual Teddy Bear picnic in the park on Wednesday June 26. New Denver and Southern Zone families come too. It is a fun time.

- I will be doing fresh grade next year, Jenna Arnold/ will be mentoring me. We thought it would be a good idea for communication and to get families familiar with it, as they enter Kindergarten.
- I am also collaborating with Jenna/Marsha/Sheri and doing the Ease program. I will do it at a low-key level, but have the posters up, use the language so the children are familiar with it as they enter the school system.
- We are also able to pick and eat strawberries, which we planted last year with the grade seven class.
- I was able to buy some new toys for the center. We got some new wooden blocks, play Mobil sets, magnetic sets, wooden Melissa and Doug sets, and much more.

SD10 Board Report - New Denver StrongStart

Attendance:

Our morning sessions continue to average between 5-8 families per day and afternoon sessions 2-4 families per day.

Highlights:

* Three Secondary Students have volunteered at StrongStart for hours towards their community service requirement. It was a joy to have them participate and help out with the little ones.

*Green Thumbs Garden Club has been happening every Tuesday from 3:15-4:30. Students and families have enjoyed a healthy snack made from veggies grown by students at Lucerne!

*Heather Broad from the Child Care Resource & Referral in Nelson visited our StrongStart and provided information on Outdoor Play Activities for families.

*Families recently enjoyed a field trip to our local Fire Department which was of course a big hit!

Future Plans:

Our StrongStart will attend the Teddy Bear Picnic in Nakusp where Community Service Providers will offer information on child development and health. Children will participate in activities such as face painting, taking their teddies to a 'Teddy Bear' nurse, making volcanoes, giant bubbles and much more. Everyone will enjoy a free lunch and receive a free book.

It has been a wonderful year with lots of support from families, school staff and our community.

Thanks,

Charlene Alexander, ECE

Subject: SZSS year end report
Date: Tuesday, June 4, 2019 2:31:25 PM

Hello there all,

I'm happy to report on another successful year of our Outreach StrongStart in the Southern Zone. We have 17 preschool age children enrolled & 2 that have attended a couple times but have not returned registration forms.

Tuesdays in Edgewood, Wednesdays in Burton and Thursday mornings in Fauquier is a nice consistent offering for the isolated families in our small communities. We have many regular participants and some families carpooling to attend multi sessions. All SS families are invited to spend the last day of school at The Whatshan year end picnic, with BBQ lunch by EES PAC.

Supporting local isolated families is a rewarding job. As a StrongStart coordinator, I'm happy that families feel welcomed & heard as they participate, network and grow.
Happy healthy summer to all.

2. 2019-2022 - Three Year Enrolment Projections (attached)

- Our three enrolment projections have been submitted to the Ministry and indicate modest enrolment increases for next year and the two subsequent years
- Based on current data, we project that we will have 469 students in the 2019-20 school year, 470 students in the 2020-21 school year and 469 students in 2021-22.
- Increases in students with indigenous ancestry are also forecasted to increase: from 70 students this year, to 89 in 2019-20; 85 in 2020-21 and 74 in 2021-22 while students with diverse needs designated as Level 2 or 3 are anticipated to be 24 students next school year, 22 in 2020-21 and 18 in 2021-22

3. NSS Climbing Wall News

- Engineered drawings for the NSS climbing and bouldering wall are not yet ready
- Once these are received, we will be able to proceed, and order the equipment
- Our district team has submitted a progress report to the Columbia Basin Trust, communicating updated project timelines and revised budget details; CBT indicates that as long as the project is completed by December 2019, their funding for the project will remain intact
- Our anticipated start date for installation this summer was contingent on receiving engineered drawings on time; given that we are still waiting on engineered drawings, the project is unfortunately again delayed
- Kudos to NSS Principal, Peter Gajda and the Nakusp Climbing Society, for their continued work on this project that will ultimately benefit both school and community

4. Fauquier School Property Update

- RDCK meets June 20, 2019 to discuss the rezoning bylaw amendment and OCP amendment on the Fauquier property and forward to Ministry of Highways and province of BC
- School district process and next steps will commence this summer.

5. Child Care Centre Grant Application Proceeds

- Lucerne's School principal, our Manager of Operations and the Superintendent/ST continue to work with a local child care committee in the New Denver area, and a range of partner organizations to create a Child Care Centre in two unused classrooms in Lucerne School
- The proposed Child Care Centre would create up to 16 new child care spaces for 0-5 year olds and also after school care for 5-11 year olds
- The two biggest barriers to young families in the New Denver area and in our school district are housing and child care, and school districts are being encouraged to look at partnering with non-profit societies to create additional child care spaces
- Our district team and the local child care committee are working on various aspects of the required documentation with the aim of submitting an application for capital funding to the Ministry of Children and Family Development New Spaces Fund and the Columbia Basin Trust
- The Board passed a motion at the February 19th Regular Board meeting: Moved by D. Simon, seconded by R. Farrell that the Board of Education approve submission of a *Childcare BC New Spaces Fund* application for capital funding to renovate two unused classrooms and adjacent washroom facilities at Lucerne Elementary Secondary School.
- Superintendent/ST recommendation to the Board:
That the Board of Education approve application to both the ChildCareBC New Spaces Fund, and the Columbia Basin Trust Child Care Capital Grants for the development of a Child Care Centre in the two downstairs unused classrooms and adjacent outdoor space at Lucerne School given the Ministry and district ten year enrolment projection data.
