2.0 Regulations

- 2.1 It is the intention of this policy to provide assistance for the cost of student transportation, and not to pay the total cost of transportation.
- 2.2 In order to qualify for assistance each year, the student's parent or caregiver must make application to the Secretary-Treasurer using the District Transportation Assistance form.
- 2.3 Continued payment of the Transportation Assistance is dependent upon the student's regular attendance at school. Irregular attendance by the student may result in discontinuation of payment.
- 2.4 Transportation Assistance rates shall be as approved by the Board of Education. The reimbursement for Transportation Assistance will be for kilometres from home to the school of enrolment or nearest bus stop corresponding to their school, minus 4.0 kilometres for a Kindergarten to Grade 3 student, and 4.8 kilometres for a Grade 4 to 12 student.
- 2.5 Full responsibility for safe transportation and insurance coverage rests with the student's parent or caregiver.
