Strengths in collaboration, co-planning and co-teaching are an asset, as well as the ability to differentiate to meet the needs of all learners in an inclusive classroom environment.

### **Required characteristics and strengths include:**

- a) Ability to plan and design engaging primary learning activities throughout the curriculum
- b) Post-secondary education and experience in primary teaching and early learning
- c) Strong skills in teaching and assessing early literacy and numeracy
- d) Excellent classroom management skills and proven ability to engage all learners
- e) Strong interpersonal skills and strengths working in a team environment
- f) Commitment and expertise in building relationships with parents and community
- g) Successful experience integrating socio-emotional learning and self-regulated learning
- h) Demonstrated understanding of indigenous cultures, and experience integrating First Peoples of Principles of Learning into teaching practice
- i) Commitment to co-developing the School Growth Plan and collaboratively organizing for learning
- j) Exemplary use of assessment strategies that engage learners and foster learning
- k) Professional learning inquiry experience that informs professional practice
- l) Exemplary use of formative assessment strategies that engage learners and deepen learning
- m) Professional learning inquiry experience that informs professional practice
- n) Successful experience co-planning and co-teaching for student success
- o) Excellent ability to differentiate for all learners and co-plan for diversity and engagement
- p) Willingness to participate in school and/or district Professional Learning Communities will be an asset
- q) Willingness to participate in the school's extra-curricular programs will be an asset

### **All applicants for this position should provide evidence for all areas of expertise or experience.**
