

## Music Education Specialist – SD 10 (Arrow Lakes)

SD 10, in the beautiful West Kootenay region of southeastern BC, seeks an innovative and creative music education specialist to join our District. The district is well-regarded as an innovator in place-conscious learning, environmental education, personalized learning, assessment and student inquiry. Strong academic achievement, equity, and student success is at our core.

Our small rural district is staffed with people who care about students and who go the extra distance – literally and figuratively - to make a difference! We are blessed not only with breathtaking geography but also with warm and welcoming staff, parents, and community in all of our six district schools. Our parents, teachers, support staff, leadership team and Board of Education are committed to doing all that they can to support student learning.

We are looking for an **enthusiastic and creative leader in music education** to work alongside our innovative team of teachers, support staff, students, parents, and communities, who possess the following qualifications:

1. Bachelor of Music Education and/or a Bachelor of Music
2. Experience conducting small or large band or choral ensembles
3. Familiarity and success in implementing best practices in music teaching and music education
4. Commitment and expertise in building relationships with parents and community
5. Strong interpersonal skills and strengths working in a team environment
6. Ability to differentiate and meet the diverse needs of multi-age learners
7. Ability to teach music in a range of genres
8. Embodies lifelong learning in own practice and professional growth
