

**Vice Principal of Nakusp Elementary School  
and District Lead of Nakusp Child Care and Early Learning Centre  
School District 10 (Arrow Lakes)**

School District 10, in the beautiful West Kootenay region of southeastern BC is seeking a highly competent and dynamic educator and business leader to join the team at Nakusp Elementary School as a Vice Principal, and as the District Lead for the operations of the newly constructed Nakusp Child Care and Early Learning Centre.

We're looking for an enthusiastic and creative leader and have a great team of principals/vice principals, teachers, support staff, parents, students, and community for you to work alongside. Our schools in SD 10 are respected innovators in place-conscious learning, environmental education, inclusive and personalized learning, project-based learning and student inquiry. We aim to weave our signature pedagogies into our child care programs and as the District Lead, you will help us to take a collaborative and holistic approach to achieving this.

Our small rural district is staffed with people who care about children and students and who go the extra distance – literally and figuratively - to make a difference! You will lead by example with your dedication and commitment to our small rural school, child care centre and community. We are blessed not only with breathtaking geography – long pristine lakes, snow-capped mountains and lush forests – but also with warm and welcoming staff, parents, and community in each of our six district schools. Our community, parents, teachers, support staff, district team, and Board of Education work closely together, all committed to high quality learning for every child and student. Your training and experience leading learning, and collaborating with partner groups will stand you in good stead as you guide and inspire others.

As the successful candidate, you have exemplary organizational and planning skills, and have a thorough knowledge of BC elementary schools and early learning. You are an experienced rural educator, and a dynamic and reflective teacher. Your teaching practice is viewed by parents and students as exemplary, and you have formal and informal leadership in your past experience, you demonstrate the ability to lead change and educational transformation by example. Your role requires that you have proven capabilities to meet the unique needs of a diverse school and child care community. Of course, you will love teaching and learning, and demonstrate passion for the work that is the base of what we do as educators – inspiring that love of learning in both students and staff! You'll fit in wonderfully with our innovative school and district team!

**Qualifications and Attributes:**

- A Master's degree in an appropriate field, and school leadership experience leading alongside staff and parents
- Previous vice-principal experience, and experience in multi-aged elementary learning environments
- Superb abilities as an educator and leader of learning, well-grounded in current pedagogical practice
- Proven skills and experience in educational leadership and educational transformation
- A practice embedded in current pedagogical research; leadership implementing the BC curriculum
- Excellent teamwork, high emotional intelligence, and outstanding conflict resolution skills
- Excellent at cultivating relationships with parents and community in support of student learning and well being
- Community-minded; eager to be involved in the whole school community; dedicated and focused
- Proficient use of technology to support teaching, learning, and administrative tasks, including MyEd BC
- Eligible for membership by the BC Teacher Regulation Branch

Please submit your resume and cover letter with supporting documentation, together with three current professional references, by email no later than noon Monday July 11, 2022, to:
