---

We seek an innovative and passionate educator who embeds 21<sup>st</sup> century learning into their daily classroom practice. Strengths in collaboration, co-planning and co-teaching are an asset, as well as the ability to differentiate to meet the needs of all learners in an inclusive classroom environment.

**Required characteristics / strengths include:**

- a) Post secondary coursework in SEL
- b) Ability to plan and design engaging learning activities using the BC curriculum
- c) Successful experience teaching ADST in multi-aged classrooms
- d) Successful experience working with school-based teams to integrate socio-emotional learning and self-regulated learning into school schedules and activities
- e) Strong interpersonal and collaboration skills and strengths working within a team environment
- f) Successful experience co-planning and co-teaching for student success
- g) Excellent classroom management skills and proven ability to engage all learners
- h) Commitment to implementing the School Growth Plan and to collaboratively designing school and classroom learning environments
- i) Demonstrated understanding of indigenous cultures and experience, integrating First Peoples of Principles Learning into teaching practice
- j) Successful experience in facilitating outdoor learning experiences with a focus on place conscious and cross curricular learning
- k) Excellent ability to differentiate for all learners and co-plan for diversity and engagement Proven Exemplary use of formative assessment strategies that engage learners and deepen learning
- l) professional learning inquiry experience that informs professional practice
- m) Commitment and expertise in building relationships with parents and community
- n) Willingness to participate in school and/or district Professional Learning Communities will be an asset
- o) Willingness to participate in the school's extra-curricular programs will be an asset

**All applicants for this position should provide evidence for all areas of expertise or experience.**
