110 – Vision and Mission Statement

1.0 General

1.1 **Vision Statement:** Our vision is of a learning community which embodies world class learning in a rural environment.

1.2 **Mission Statement:** Our mission is to provide all our students with an equal opportunity to grow into caring, intelligent and productive citizens by:

- 1.2.1 achieving academic excellence to the utmost of their abilities;
- 1.2.2 pursuing diverse pathways based on their passions and interests;
- 1.2.3 embracing and managing change, and
- 1.2.4 learning to live and work in harmony with others and the environment.

We believe our mission can only be achieved together: through collaboration with students, family and community, and a highly professional staff.
