Trustee Report to Board, March 6, 2018

The LESS PAC meeting was on March 1/18.

<u>- Cross Walk Safety Program</u> - at the last PAC meeting a parent attended and asked if there was anything PAC could do in terms of cross walk safety due to concerns surrounding the cross walk over Hwy 6 and heavy, fast moving traffic. It is heavily travelled with many chip trucks, logging trucks, many other fast moving vehicles and is lightly patrolled by RCMP. The PAC secretary looked into many options and presented the information, of particular interest was the BCAA student crossing guard program which is free to schools in BC. The principal is reviewing the program to determine whether it meets the needs of LESS.

<u>- Senior Outdoor Ed Trip</u> - Scott, PAC chair, reported that the Senior Outdoor Ed program's trip to Harlow Hut was very successful. Ten students spent three nights at the hut and were grateful for the experience. PAC had provided financial support to the trip.

<u>- Shakefest - request for funding</u> - PAC approved a \$300 contribution towards the student trip to Vernon to attend Shakefest in April. The students have raised \$1000 to date.

- DPAC Grant - a grant from DPAC was received in the amount of \$625.

The Chamber of Commerce – the AGM is March 8, 7pm, in Winlaw.

**DPAC:** The AGM was on February 15, the new president is Dana Hildebrand. A regular meeting followed. DPAC received a Gaming Grant in the amount of \$2500. It was divided equally among the four schools.

Respectfully submitted,

Rhonda Farrell

#### Prepared for March 6, 2018, Regular Board Meeting

#### Hello there,

I'm happy to report 21 preschool age children are now enrolled in our SZ Outreach StrongStart and 2 pending registrations. I am so pleased that the Myed attendance for SStart is finally easy to do.

In Burton on Tuesdays there is a consistent group attending with several other families dropping in intermittently. The new babies are always such a pleasure. Having gym time is a highlight for the energetic kids. These families have a true sense of belonging and have comfort in the space.

The news of K-3 school reopening is a very exciting conversation topic. But after reading the VV newspaper article & discussing logistics there is concern among parents about the possibility of K-3, noclass day (presumably Friday) being designated as the StrongStart day. This configuration would not be satisfactory as all but 2 StrongStart kids have K-3 siblings that would need unavailable childcare during the StrongStart session. Also parents like Friday (or no school weekday) as a chill or appointment/town day. I understand that after SpringBreak I will be given a chance to meet with a team & discuss options, so I won't get in to my questions/suggestions in this report, but I agree with parents that StrongStart best remain during school hours.

Wednesday attendance in Edgewood has picked up since Christmas, very rarely zero attendance now, but still underutilized. There are several families that drop in intermittently and they really enjoy the rare day when multiple families are together, hopefully that fellowship triggers more regular attendance. The space in Edgewood is so ideal. The K-7 lunch hour is the first 45 minutes of StrongStart, it is such a lovely time for the older kids to enjoy the room and mentor the littles.

Thursdays continue to be well attended with 3 regular families and others dropping in intermittently. This building certainly is not what the other 2 offer, but we have fun transforming the space with large foam obstacles for some high energy time before circle. Snack & story time is always a hit. We built and decorated a most beautiful snowman looking right in to our classroom in January, he fit right in with our winter theme!

Thank you for your interest and support as a board.

Carpe Diem, Jodi McLean
