ALELA EPC Report – September 17, 2019

Southern Zone Schools

It has been a great start to the year at BES and EES. Staff and students are eager to achieve great things this year.

We would like to introduce Kristi Martell-Leblanc and Ken Rogers to our BES team.

Edgewood Elementary School

- We will be expanding on the school culture piece this year. We are working on our school rules 'how to be an Edgewood Eagle.' Many of our Respect, Excellence and Pride tickets have been handed in the first few weeks as we work on our being responsible for our actions.

Burton Elementary School

- We had a great opening day. Planted a tree to commemorate our second year and then had a BBQ. We are looking to continue setting up a school culture at BES. We are the Burton Bears and we now move to our Bears expectations.

➔ Both schools have been outdoors exploring and learning.

Nakusp Secondary School

- Great start to our school year; a warm welcome Jared Strand and Karlee Cook to the NSS staff
- Mr. Gajda's challenge to the school this year is "Reveal Your Inner Superhero" – which will also be our yearbook theme this year
- Sports Teams are up and running; we've added Cross Country running this year, on top of our usual Girls Volleyball and Boys Soccer programs
 - Our Boys Soccer Tournament will be held on Sept 27th and 28th
- Terry Fox Run on Friday, Sept 20th @ 11:15 am (weather permitting)
- Alberta PSI Day – Tuesday, Sept 24 from 2 – 3:00 pm in library
- Indigenous activities this month include :
 - Blanket Ceremony (facilitated by Michael Garvey and Jessica _____ from Castlegar); Trustees are invited to attend
 - Orange Shirt Day on September 25th
- BC PSI Day in New Denver on October 16th
- Intramural action begins this week with Indoor Soccer – the Wolves are looking to defend their house team title
- Consultation process starting with staff, students and parents to discuss the NSS timetable, with a possible structural change for 2020/21
- Planning on hosting a Recognition BBQ for Cst. Lee Bellamy, our RCMP liaison officer, in late October; he's moving to Bella Bella in November
- NES and NSS have received a grant to support after school bussing one day a week; we are looking at a Wednesday run

Lucerne Elementary Secondary School

- Students and staff are excited to be back at school, and there is a strong positive vibe throughout the school
- We have welcomed many new teachers to our school: Margot Baker, Deb Dubinsky, Kyoko Conne, Lars Nilsson, and of course our new VP Justin Bisson
- Welcome Back BBQ was very well attended this year with over 140 burgers cooked and 40 of the vegie variety
- Four of our high school students have joined the soccer team up in NSS, and we have arranged for the district van to be available for parent volunteers to drive them to their practices
- For younger students we have partnered with West Kootenay Football Association to have indoor soccer, students will receive a jersey and there will be a minimum of three games.
- Our Terry Fox run was scheduled for Monday Sept. 16th, but was postponed due to weather, we hope to have it on Thursday the 19th
- We are excited to have our students travel to Nakusp this Friday for the NES Tryathlon
- On Sept. 26th our grade 6 to 9 students will be visiting the Snk'Mip marsh to do a field study with Wildsight BC
- Harvest Fest is on Sept. 27th, and all are welcome to attend, for the third year in a row we will be having pony rides for the school provided by Sacred Spaces
- Susan Milner a retired UFV professor will be coming to teach math and logic games to our students this month
- Swimming lessons will likely begin Oct. 4th, but we are still waiting confirmation from Castlegar Rec Centre

Nakusp Elementary School

General

- NES has a 173 students at the moment spread over 9 divisions. We are excited to greet many new students between our Kindies and grade 7's.
- We welcomed our new staff including: Hannah Boomer- PE, Michelle Hildebrand-EA, and Biz Tupper back for Maternity leave.

Curricular

- This month's writing genre is Narrative and all classes grade 2 and up are getting ready for the Fall Writing Assessment
- We also have the EPRA/ DART reading assessment coming up in the next few weeks.
- Most teachers have also completed a diagnostic or formative assessment of mathematics.
- By using these assessments as indicators of student need, teachers can tailor their instruction to meet individual and group needs. As a school we will be conducting Class Reviews in early October to support teachers through allocating learning services resources.

Extra Curricular

- Thrive after 3 clubs this term are being organized and will be up and running by October
- NES and Southern zone intermediates will be taking part in the Tryathlon on Friday Sept 20th. Our friends from Lucerne will be coming down to take part.
- NES runners will be joining Lucerne for the Cross Country Running Race on October 9th.
- We will be starting up Intramural sports in October and lunch times will be busy!

Field Studies

- Several classes have been out to learn about Salmon Life cycles experientially at our rivers. Lots of great hands on learning to engage our learners

Upcoming events

- Tryathlon is on Friday Sept 20
- We have Rhythm Resource coming in to work with our students on drums Sept 26th
- We also have student photos on this day
- Terry Fox run school wide is at 2pm on Friday Sept 27
- Our School Open house will be held on Oct 3rd. We will be inviting parents in to the school to meet teachers, see their child's new space and learn about reporting methods. NES is an active participant in the pilot reporting order and most of our teachers are using Freshgrade to communicate student learning. We want to make sure that all our parents can access the system and can play an active role in their child's learning.

Superintendent/Secretary Treasurer Report
*Presented at the Education Partnership Committee,
 and Regular Meeting of the Board of Education*

1. September Enrollment notes

- Enrolment as school begins shows a slight increase from last school year at 460 students; September 2018 headcount was 452 students.
- Our enrollment projections indicated 469 students for September 2019
- Currently one student is cross-enrolled at both ALDL and NSS
- Final 1701 snapshot and subsequent Ministry funding will be based on September 30th FTE
- Below is the monthly enrolment chart by school and grade:

1. Key 2019-20 Budget Decisions

- The Board of Education passed its Annual Budget By-law last spring with the following key budget decisions based on feedback from the Finance Committee and budget consultations at our schools:
 - Increase of a 1.0 teacher at Nakusp Elementary School to address increased enrollment
 - Increased staffing at NSS to enhance secondary elective and academic choice offerings
 - Increased .25 FTE intermediate teacher staffing at EES for continuity and to allow VP to provide Classroom Support an additional day per week at NES
 - Increased 1.0 Teaching VP staffing at Lucerne to enhance secondary elective and academic choice options and support Principal of two complex K-12 schools
 - Increase .5 FTE teacher staffing at Burton Elementary to support increased enrollment and a K-4 classroom learning environment
 - Continue additional Arts program funding from 2017-18 budget with flexibility for schools to choose which areas of fine and performing arts to enhance their schools
 - Increase school secretary time at BES and EES schools
 - Add a school bus route for K-4 children at Burton Elementary School

2. NSS Climbing Wall Update

- Engineered drawings for the NSS climbing wall were finally received from the engineer in July; engineer plans for the bouldering wall have not yet been received
- These delays have caused delays in estimating costs, materials and starting construction
- The climbing wall plans involve more extensive structural alterations to the school building than were anticipated, and also additional labour costs
- School district staff met with three members of the Climbing Wall Society during the first week of September to discuss the concerns, as Society members were not available during the summer
- A local contractor has been engaged to assess labour and building material costs for the climbing wall based on the new engineer drawings; those costs are estimated at \$49,000
- Superintendent and NSS Principal met Friday September 13th to discuss project feasibility and planning with an updated timeline and budget to be provided to CBT by the end of this week
- The project must be completed by December 2019 to access grant funds

3. Fauquier School Property Update

- RDCK has now passed rezoning bylaw amendments and OCP amendment on the Fauquier School property subdivision application
- Assistant Secretary-Treasurer, Shelly Woolf is currently:
 - Working with RDCK to get water connection to property line installed
 - Requesting approval letter from BC Hydro – then sending that on to RDCK
 - Awaiting RDCK letter to MoT that all requirements have been met
- We look forward to soon receiving the Ministry of Transportation approval
- School district process and next steps will commence as soon as we have Ministry approval:
 - Disposal of land will be executed as per [Ministry regulations](#)
 - Appraisal of both lots, and statements of valuation of net proceeds
 - Documentation of property title and how it was originally acquired (for restricted and local capital fund purposes), site plan, rationale for disposal of the property, etc

- Community consultation held in Fauquier to allow final input on the disposal of property plans
 - A Board by-law regarding proposed disposal of the property
 - Work on an agreement for sale with the community organization in Fauquier
 - Interviewing and selecting a real estate agent to sell the second lot; and selling that property
- District staff will continue to move ahead on the details over the next few months

4. New Spaces and CBT Child Care Centre Grant Applications Submitted

- In collaboration with Goat Mountain School Society, and a local Child Care Committee in the New Denver area, the school district has submitted grant applications to both MCFD New Spaces and CBT Child Grant program to build a Child Care Centre in two unused classrooms at Lucerne School
- The proposed Goat Mountain Kids Child Care Centre would create 16 new child care spaces for 0-5 year olds and after school care spaces for twenty-four 5-11 year olds
- Many thanks to Goat Mountain Society and especially to Sara Wearmouth and Julia Greenlaw of the Child Care Committee for their assistance gathering some of the extensive documentation required for these grant submissions
- We hope to hear by end of September, as the application is now sitting in adjudication

5. Ministry Data Room

- On Thursday, August 29th, the district Leadership Team participated in a two-hour video conference with Ministry of Education Data and Analytics staff to look at provincial data for our schools and district
- We are working with the Ministry to get better and more fulsome data for cohorts over time on Grade 4 and 7 FSAs, graduation rates, success rates for indigenous learners, students with diverse learning needs and Children and Youth In Care – all these are required areas to report
- Given the small size of our classes and school district population, data for a given year needs to be seen in context of trends over time and also district data on reading, writing and numeracy
- Ministry staff were impressed with the high level of engagement and thoughtful questions that our team presented, and they were able to share data with us that we had not been able to access previously
 - For example: After Grade 12, our students' transition to post-secondary institutions is the same or better than provincial averages when viewed over a ten year period, which is longer than the 6 year period commonly reported.
 - Speculation is that this may be due to our rural and remote location and students needing to save more money to go to school. Overall though, our students are as successful as their urban counterparts at transitioning to post-secondary
 - Selkirk College was the primary post-secondary institution sought by our students
- The Ministry will assist us in putting together data that can be used in School Growth Plans and the District Plan for Learning under the new Framework for Enhancing Student Learning policy
- At the October Board meetings, updated School Growth Plans and District Plans for Learning will be shared

6. Playground Completed at Lucerne School

The Lower Playground – 2-5 year olds

- Kudos to our amazing maintenance staff for completing the new playground project by end of July
- This summer, the pressure to complete installation of the new playground at Lucerne amidst all the other capital projects was intense but the rewards of a new and safe playground for our kids is well worth it!

The Upper Playground - 5-12 year olds

7. Funding Review Update

- Work on reviewing the funding allocation system for the province continues this fall
- Working groups concluded their recommendations and mitigations to implement the Independent Review Panel recommendations in the summer with Final Reports submitted to the Minister at the end of August
- On October 1st, the Ministry will bring back together representatives from the various partner groups to share the next steps and overview the reports from the Working Groups
- Fall 2019 will see the Ministry connect with partner organizations including BCSTA, BCASBO, BCSSA, BCPVPA, BCTF, FNESC, at their fall conferences etc to communicate final reports and help get input on next steps
- Plans at present by the Ministry, remain to change the funding model prior to March 31st as recommended by the Independent Review Panel with input from the four Working Groups

8. Basin Plays - \$15,200 for transportation

- This is the second year that funding has been received from the Columbia Basin Trust Basin Plays program
- Support for all six schools will help Arrow Lakes Distributed Learning, Edgewood, Burton Elementary, Lucerne Elementary Secondary and the Nakusp Elementary and Secondary Schools encourage more physical literacy and activity as follows:
 - NES – Spring swimming at Halcyon Hot Springs
 - Lucerne – Fencing equipment and sports equipment (soccer, baseball bats and balls)
 - ALDL – Sports equipment soccer balls and gloves, indigenous Northern Games equipment, admission and tickets Nakusp Hot Spring for swimming and hiking and ski to Whitewater or Revelstoke
 - EES – Support for skiing, golf at Fauquier Golf Club and swimming programs
 - BES – Support to supplement the school ski and swim programs
 - NSS – Support for a ski day, replacing junior and senior outdoor ed equipment including snowshoes and cross country skis, and supplementing the PE equipment budget

9. Nakusp and Area Community Foundation

- Many thanks to Nakusp and Area Community Foundation for two grants which will help support extra-curricular programs in our schools in the Nakusp area
- \$1500 received for Wednesday after school late bus transportation so more students can attend after school programs at NSS and NES
- Plan is to assist students living in Nakusp area and down the lake as far as Fauquier
- NACF has also granted \$3500 to NES PAC to support after school activities with a fine arts focus

10. ArtStarts - \$3500 Arts in Classroom Grant for NES

- Nakusp Elementary PAC was successful in receiving a \$3500 ArtStarts Artist in the Classroom grant to support dance programs at both Nakusp Schools
- The [Jess Dance](#) dance program will be offered to students at NES and NSS during a week long residency October 28th to November 1st
- Morning dance classes will be held at NES and afternoon classes at NSS
- An NES student performance is planned for the afternoon of November 1st

11. RDCK Support for Longstanding SD 10-Summit Lake Ski Program

- NES has received a \$5000 grant to support the school's Summit Lake Ski Program
- Many thanks to RDCK Director, Paul Peterson, for his assistance in garnering this support to help pay for the cost of ski lessons and lift tickets
- For several decades now, the school district has the ski program included in the annual budget
- With the cooperation of Summit Lake Ski Hill, SD 10 offers ski lessons and skiing to all elementary students and ski days for our secondary students

12. Back to School Safety: Reminder of School Zones and School Busses

- It is back to school, and time to remind our parents and community members that school zones are in effect from 8 am to 5 pm Monday to Friday
- Of particular note, is a reminder that the law states that all traffic in both directions must stop when a school bus has on its flashing lights and the stop sign protrudes from the driver side of the bus
- In the first week of school we had an incident where a driver passed the bus with its lights flashing and stop sign out on a double line while children were boarding the bus
- Our bus drivers report that it is not uncommon for drivers to pass school busses when children are boarding or disembarking from the school even though the lights are flashing
- Please pass on the word that these rules are for the safety of our children and need to be followed

13. UBC WKTEP in situ Partnership for Class Reviews – September 18th, 24th and October 1st

- For the fourth year in a row, teacher candidates from the UBC-West Kootenay Education Program will be in SD 10 for three consecutive weeks as our teachers are immersed in the fall Class Review process
- A Class Review or Class Profile, uses reading, writing and numeracy data and observations to learn about the strengths and stretches of a particular class, which then assists the teacher to hone their teaching to fit the needs of their learners.
- Class reviews will be repeated in January and in May throughout the district during this school year so we can better address the learning of our students and also monitor their progress and make changes to teaching as the information is meant to inform classroom instruction
- Dr. Leyton Schnellert, Faye Brownlie and Catherine Feniak write about the Class Review process in their book, *Student Diversity* (2006)
- There are four West Kootenay school districts in the West Kootenay Teacher Education Consortium – SD 8, 10, 20 and 51
- Superintendents from each of the four Consortium districts help shape and give feedback on the WKTEP teacher ed program based on the districts' contexts and needs in meetings each year with the Dean of Education, Faculty Advisor and WKTEP Program Coordinators
- Initially the idea to have teacher candidates in our district early in the fall in situ, came from a consortium meeting where the SD 10 and 51 Superintendents wanted to encourage student

teachers to consider practicums in SD 10 and SD 51, the two more remote and distant rural districts in the consortium

- Our District Leadership team in SD 10, decided that the teacher candidates could assist with the district-wide Class Review process, and each year, teams of teacher candidates join classrooms from Edgewood to New Denver with all schools in between
- This year, we have eighteen SD 10 teachers who have opened up their classrooms to their new-to-the-profession WKTEP colleagues in classrooms in every school in the district
- Our teachers and students benefit from having the WKTEPers come visit and for our educators, it is also a way of giving back to the profession – this next group of teachers...
- WKTEPers will assist with K-8 EPRA and DART school reading assessments which help inform teachers about how our learners are doing in reading as the school year begins, and help teachers make decisions about ways to improve reading success for all our learners
- The in-situ sessions also allow teacher candidates to teach a short lesson to our students – always fun activities for the students!
- Our teachers will also be doing Grade 2-10 writing assessments in all schools this fall as part of the Class Review process

14. Head Lice – an early visit from some unwelcome guests...

- It's earlier than usual this year, but our first case of head lice was reported in the first week of school
- School principals and vice principals were quick to reference the district Lice Protocol, contact the Public Health Nurse, and provide information to parents with a letter home
- Just a reminder to parents and children to not share hats and to check regularly for lice if there are cases in their school

15. Free Menstrual Products in all Schools

- Late last spring, the Ministry of Education announced that all BC schools will provide menstrual products for free to address access and equity issues, and in SD 10, this was an easy task to achieve as our schools already provided free products to students on request
- Now, our schools have baskets in the high school washrooms, school office and small supplies with teachers in classrooms for student use
- We are also investigating refitting the old vending machines in the school washrooms for free dispensing of menstrual products

16. Recruitment Challenges

- This past spring and summer have been very difficult one in our efforts to recruit employees to the school district – a now common rural dilemma
- We are short school bus drivers for regular routes, and don't have enough qualified custodians, Education Assistants, school secretaries or bus drivers for casual work
- We posted 16 teacher jobs and in a number of cases, had to repost five or six times in order to hire teachers; the same was true for the teaching Vice Principal role at Lucerne which we posted five times
 - The Superintendent has spoken to the Deputy Minister and Assistant Deputy Minister about our concerns

SD10 (Arrow Lakes) District Protocol

Community Use of School and District Facilities

Overview:

Although the prime function of school district facilities and buildings is to support student learning, the Board of Education is committed to making our facilities accessible to the community when possible. Shared Use agreements, short-term rentals or no-cost use of school facilities are therefore supported with the underlying premise that these arrangements always consider that students are at the centre of all we do in SD 10.

Approval for Short Term Use of School Facilities

1. Groups interested in using a school for the purpose of meetings or activities must fill in a "School Use Agreement" form at the school and review this protocol. The contents of this protocol form part of the Community Use of School and District Facilities Use Agreement.
2. The school's Principal does the initial approval for short term or single community use of their school facilities on the Use of School Facilities Form.
3. Requested use of school facilities may not be approved.
4. The Superintendent/Secretary-Treasurer does the final approval on all Use of School Facilities requests.
5. Ensuring adequate supervision is in place for students, parents, and community members using school facilities is the responsibility of the school Principal.
6. Applications for Short Term Use of School Facilities are not to exceed one year and are applicable for the current school year only.
7. Community Use of School facilities must be requested at least three (3) weeks in advance.

Fee Rental

Fees as set out in this protocol help offset additional custodial and maintenance costs in our schools due to community use.

8. A schedule of fees is set out in Appendix A.
9. The Assistant Secretary-Treasurer is responsible for collecting fees in cash or cheque for rental of school facilities through Accounts Receivable.
10. Fees collected are deposited to the district account and are shown in the district budget.
11. Fees paid are non-refundable for groups who have been prohibited from use of facilities due to improper use.

Liability Insurance Coverage

12. Community user groups must have their own liability insurance and provide a copy of such while using school facilities, as they are not covered by the SPP insurance.
13. Groups or individuals without liability insurance use the school facilities at their own risk and are required to complete the Waiver Form.

Custodians, Unlocking of Doors

14. All community school use activities are communicated to the school's custodial staff, who act on behalf of the principal after school hours to admit groups to the building and ensure that the building is secured afterwards.
15. A half hour before the use of the school, the custodian will unlock the main access door in the school to allow entrance. At the end of the event, doors will be locked and secured.
16. An additional fee will be charged for groups who require access during non-staffed hours.

Shared Use Agreements

17. Certain community groups have entered into shared use or partnership agreements with the school district in use of school facilities. Fees or in-kind contributions are specified in each individual shared use agreement.
18. Additional fees for school use are generally not charged given that there is already contribution, with the exception of additional custodial costs incurred on weekends or school holidays or use that expands the regular custodial workload.
19. Use of school facilities forms are required for the community organization's use of school property to assist in school scheduling and custodial communication in those schools with full time student attendance.

Facility Use Regulations

20. Only the specific rooms or parts of the building or school property as specified and as approved in the Application for Community Use are to be used. All other rooms or parts of the building or school property, other than washrooms will be considered off limits.
21. Individuals or groups using school property will be held responsible for all damage to the building, furniture, or fixtures and are expected to clean up and return the room to its original condition.
22. The authorized user and/or authorized user designates will ensure adequate supervision of participants and attendees for the duration of the rental activity and will be present during the entire approved rental period.
23. School equipment, unless approved as part of the Application for Community Use is not permitted for use.
24. Alcohol is not permitted on school property.
25. Smoking is not permitted on school property.
26. It is the user group's responsibility to inform the school of any damage or cleaning required.
27. User groups are required to notify the District of any incidents that occur during use of school facilities involving injury, administration of first aid or loss of or damage to property.
28. School facilities use may be prohibited if proper use of the facilities is not maintained or for breach of the facility use regulations.
29. The District reserves the right to cancel or alter any User Agreement at any time with or without cause and no claim may be made against the District in respect of the cancellation or alteration.

New Users of School District Facilities

30. This protocol will be reviewed with all new users of school district facilities to ensure understanding of the user group's responsibilities.

Notes for Rental Rates:

1. Non-profit groups are exempt from hourly and daily usage fees if the School District does not incur additional costs as a result of the school use.
2. An annual fee of \$50 will be charged for non-profit groups who require frequent use of the school throughout the year. This fee recognizes that costs do naturally occur as a result of consumption, usage, wear and tear, ongoing maintenance, etc.
3. All rental rates are based on the use of a single room/facility, i.e. the Bonington or Gym. If other rooms are required, additional rental rates may apply.
4. Term rates are based on a duration not to exceed three (3) hours. For term programs that require extended time use of a single/room or facility, additional rental rates may apply.

5. Where facilities requested are during non-regular school operating days (Saturday-Sunday) or months (July-August) the rental fee will be based on the estimated costs for custodial time for all user groups and may include an 'access' fee.

Definition of User Groups:

Commercial Users: Individuals, partnerships, corporations, or other businesses set up for commercial or profit purposes.

Community Users: Individuals, organizations, associations, or other groups resident in the community using facilities for any casual and/or informal community activities (i.e. community volleyball or badminton).

Non-profit Users: Individuals, organizations, associations, not-for-profit societies, educational or youth or service groups, sports organizations set up for non-profit activities.

Partner Groups: ALTA, CUPE, PACs, DPAC

Share Use Agreement Users: ALAC, VFAS, BCLC, CBAL
