

SCHOOL DISTRICT NO.10 (ARROW LAKES) POLICY MANUAL

510 – Recruitment and Selection of Exempt Staff

1.0 General

- 1.1 The Board of Education believes that in order to achieve the best possible educational outcomes for students, it is essential to recruit, select and retain highly qualified, dedicated and caring employees.
- 1.2 The Board, in the case of the Superintendent, will assume sole responsibility for initiating the recruitment process. The Superintendent, in all other instances, will assume sole responsibility for initiating staffing processes. The Superintendent of Schools may delegate staffing responsibilities to other administrative staff.
- 1.3 The Board values input from staff and parents to aid in developing criteria for the selection of employees, and, where appropriate, opinions regarding candidate suitability. All committee members participating in the selection process must adhere to confidentiality and provisions of the FOIPPA.
- 1.4 The Board accepts that a periodic change of assignments of principals and vice-principals may be beneficial to the individuals and to the school district as a whole. The Board further believes that each principal/vice-principal has specific administrative/supervisory strengths and a transfer of a principal/vice-principal may enable a school to benefit from these strengths.
- 1.5 Recognizing that an indicator of performance is past performance, the Board expects that references are thoroughly canvassed. It shall be the Superintendent's responsibility to ensure that candidates' credentials are verified.
- 1.6 The Superintendent of Schools will notify the Board of all appointments of teachers and support staff as soon as possible after appointments are made.
