

Bus Routes and Bus Stops

- 1.1 Bus routes and bus stops will be reviewed annually and adjusted as needed, to provide quality and effective transportation services to as large number of students as possible.
- 1.2 Bus routes and bus stops will be updated as needed each year following school start up and once student ridership is confirmed.
- 1.3 Routes may be created where there is deemed to be sufficient students to justify providing school bus transportation, where road conditions and bus maneuvering are deemed safe and suitable.
- 1.4 Bus routes are posted on the District website here: <https://sd10.bc.ca/parents-students/bus-schedules/>
- 1.5 Bus routes will be advertised in August each year in both the Arrow Lake News and Valley Voice newspapers.

Requests for Bus Stops

- 1.6 A parent or guardian can request a bus stop by making a request to the Manager of Operations & Transportation in writing or by email to Transportation@sd10.bc.ca. Requests must include:
 - 1.6.1 Student home address(es).
 - 1.6.2 Requested bus stop location.
 - 1.6.3 Nearest existing bus stop location.
 - 1.6.4 Number students who would use the proposed new bus stop.
 - 1.6.5 Any other factors that may need to be taken into consideration (e.g. highway, winter conditions, etc).
