

Trustee Report

FROM: Steve Gascon
DATE: Nov 20th, 2023
SUBJECT: NES PAC Nov 15th, 2023

For Information

The NES PAC met on November 15th. Principal Hibberson updated everyone on the opening of the new playground which is being used and enjoyed greatly by many students. The playground was support with funds from the board's surplus. The PAC recently ran a very successful parenting workshop and is getting ready to take orders for school apparel.

We had a robust discussion around 4 day week and gained many pieces of feedback and requests for more information. I'm appreciative of the time and interest taken by those attending.

NES is very lucky to have such a great PAC that makes huge positive impacts on the school!
