

Elementary Teaching Vice-Principal – Job Posting Nakusp Elementary School, SD 10 (Arrow Lakes)

School District 10, in the beautiful West Kootenay region of southeastern BC is situated on the traditional, ancestral and unceded territory of the Sinixt Peoples. We are currently seeking an innovative and collaborative temporary teaching Vice-Principal to join Nakusp Elementary School, a fabulous rural K-7 school in Nakusp, BC, effective August 1, 2024 through to July 31, 2025. This position has the potential to become continuing. The annual salary range for this position is \$126,996 - \$134,186.

Our schools in SD 10 are respected innovators in place-conscious learning, environmental education, inclusive education and personalized learning. School District 10's purpose is to build a collaborative community of learning, including strong academics, overall well-being, and a connection to the land in order to provide our students with the knowledge and skills they require to navigate an ever-changing future. The successful candidate is committed to helping us achieve our purpose. To do this, we have a great team of principals/vice principals, teachers, support staff, trustees, parents, students, and community for you to work alongside. You will lead by example with your dedication and commitment to our small rural school, and community. We are blessed with breathtaking geography – long pristine lakes, snow-capped mountains, and lush forests – it is truly a great place to live and work. Your training and experience leading learning, and collaborating with partner groups will stand you in good stead as you guide and inspire others.

As the successful candidate, you have exemplary organizational and planning skills, and have a thorough knowledge of BC elementary schools and early learning. You are an experienced rural educator, and a dynamic and reflective teacher. You demonstrate the ability to lead change and educational transformation by example. Your role requires that you have proven capabilities to meet the unique needs of a diverse school and community. Of course, you will love teaching and learning, and demonstrate passion for the work that is the base of what we do as educators – inspiring that love of learning in both students and staff! You'll fit in wonderfully with our innovative school and district team!

Qualifications and Attributes:

- A Master's degree in an appropriate field, and school leadership experience, leading alongside staff and parents
- Previous vice-principal experience, and experience in elementary learning environments
- Excellent record of successful teaching experience
- Superb abilities as an educator and leader of learning, grounded in current pedagogical practice
- Proven skills and experience in educational leadership and educational transformation
- A practice embedded in current pedagogical research; leadership implementing the BC curriculum and innovative assessment
- An outstanding collaborator and team builder with emotional intelligence and conflict management expertise
- Excellent working relationships with parents and community in support of student learning
- Community-minded; eager to be involved in the whole school community; dedicated and focused
- Proficient in technology to support teaching, learning, and administrative tasks, including MyEd BC
- Highly effective communication and collaboration skills, and excellence in building relationships
- Eligible for membership by the BC Teacher Regulation Branch

Please submit your resume and cover letter with supporting documentation, together with three current professional references, by email no later than noon on May 6, 2024. Only those selected for an interview will be contacted.
